

IWR Raindancer

Date of Birth: 06/19/2020
 Registration 1: B199828

Courtesy of Ironwood Ranch

SOLD——The day he was born we got 3 inches of rain so he is named appropriately. Beautiful little STEER calf. Solid red with just a bit of white on the underside and two white rings on his tail. When he runs that tail calls down the rain! Great confirmation. Solid pedigree.
